TIGERS ARE DEFEATED

**The Heavy Team from Cham-
paign Proves Too Much
for Our Boys.**

SCORE 10 TO 0.

Special to the Independent.

PASTIME TRACK 5 p. m.—Missouri was defeated in a closely contested game by the heavy Illinoisans by a score of 10 to 0. Illinois had the advantage of superior weight and her players were in the pink of condition. The average weight of the Illinois team is 170, while the Tigers average only 163. Missouri put up a strong game at times, but was badly crippled by the absence of Shawhan, who was hurt during the first three minutes of play, and the retirement of Hughes, which necessitated Dowdall going to end, and McAlester, who is out of condition, coming to tackle. The game was won on line plays, few brilliant runs being made. Fumbling at critical points prevented the Tigers from scoring; this was Missouri's greatest fault. At times the Tigers line was as steady and solid as a stone wall, repeatedly throwing back the Illinois line—buckers with loss of territory. However this steadiness was spasmodic; at certain stages of both halves the Illinois backs bucked the line at every point for enormous gains. End runs were infrequent on the Illinois side; Missouri, however, made most of her ground in this way. Evans and Shepherd showed up well, the latter making one around the end run for thirty yards.

The line up was as follows:
